FOR IMMEDIATE RELEASE

Gateway Energy holding job fair

Seeking sales reps and networking at Forty Fort location

FORTY FORT, Pa. – Gateway Energy Services Corporation, an energy marketer with an office in Forty Fort, is seeking to expand its sales force.

The company is recruiting outbound telemarketers and door-to-door sales representatives. An open house will be held from 3 to 7 p.m. Monday, June 13, at its satellite office at 190 Welles St., Forty Fort. The energy marketer is hiring approximately 40 experienced Outbound Telemarketing Sales Representatives. Qualified candidates who have call center, sales, or customer service experience are encouraged to bring their résumés so that they may interview with a Gateway representative. This round of hiring continues Gateway's commitment to do its part to help the economy and create jobs in Northeastern Pennsylvania. So far, Gateway has hired more than 60 people to sell electricity to customers in the PPL and PECO territories.

Gateway is also hosting a mixer from 5-7 p.m. Tuesday, June 14, at the Forty Fort office. This event is open to professionals in the sales and customer service industry. Gateway's sales management will discuss advanced selling techniques while giving attendees the opportunity to network with other professionals in their field.

For more information about the events, call Gateway's Human Resources Department at 1-845-503-5240 or e-mail hr@gesc.com.

ABOUT GATEWAY ENERGY SERVICES CORPORATION

Gateway Energy Services Corporation, based in Montebello, Rockland County, N.Y., is one of the most highly regarded retail energy suppliers in North America, providing natural gas and electricity to thousands of residential and business customers in more than 35 deregulated markets across eight states, the District of Columbia and Ontario, Canada.
