

Gateway Energy Services Corporation Joins WhiteFence.com

Consumers in New York, Texas and Ohio searching for electricity or natural gas service at WhiteFence.com can now compare the latest plans available from Gateway Energy Services Corporation

Houston, TX ([PRWEB](#)) August 12, 2009 -- [WhiteFence](#), the nation's leading online comparison-shopping marketplace for residential home services, today announced the addition of [Gateway Energy Services Corporation](#) to its lineup of over 400 service providers offering essential home connections, utilities and more.

Gateway Energy is one of the largest independent retail energy suppliers in North America, providing electricity and natural gas to 27 deregulated markets across New York, New Jersey, Texas, Ohio, Maryland, Virginia, the District of Columbia and Ontario, Canada. Gateway Energy will offer natural gas and electricity in New York; electricity in Texas, and natural gas in Ohio via WhiteFence.

WhiteFence.com lets people compare prices and order home services available for their specific address. [Important home connections](#) provided by WhiteFence include high-speed Internet, electricity, natural gas, television, and home phone service. Offering Gateway Energy on the WhiteFence platform will allow consumers in New York, Texas and Ohio searching for electricity or natural gas service at WhiteFence.com to see the latest plans available from Gateway, and sign up for service on the site.

"Gateway's electricity and natural gas plans are an excellent addition for our customers to choose from," said WhiteFence Chief Marketing Officer Chip Smith. "With a wide range of competitive prices and plans, Gateway will help our customers make the energy decision that's best for them."

"WhiteFence is a great way for us to reach consumers looking to shop around and find the best energy plan to fit their needs and budget," said Gateway's Vice President of Sales Bill Cateno.
